1st Newsletter 2012

Welcome to 2012

We at The Barn are excited about the New Year and all it may bring. On visiting the salon I hope you like the changes I have made; a different colour, new furniture and less clutter, all to help make your visit more comfortable.

A quick glance back

I will have a quick look back over last year; here are a few of the high lights.

We raised over £1400.00 for magpas the medical team with the air ambulance, by Linda running the standalone 10k - phew! - and our open day was good.

We introduced online booking, more about this later.

Many of the girls were involved with the grotto, which was a massive success with the most families ever.

Website

This year I am working hard on our website to help you get as much info as you would like.

We have now introduced online booking, so you can make an appointment 24/7. It's easy, just register and choose your day, time, stylist and the service required. You will receive an email as conformation; we will also send a text message to remind you the day before.

Also on the website you will find our latest offers, all designed to help you get the most from your visit, news about any new products, staff holidays and other activities we may be doing.

Thanks for choosing to look at the Barn Hair Studio

Please take your time to look around our website. I hope you find all the information you need.

My salon has been open since 1992, moving to larger premises within The Barn in May 1999. After extensive renovation we now have a beautiful work environment for both staff and clients to enjoy. The unique surroundings are one the start of your experience.

When visiting us we aim to engage you in not only a perfect hair style but outstanding service, professional product and a relaxing space to be pampered. Why not come and see for yourself, you will be a coffee and a treatise treat.

Hope to see you soon!
Julie

Life Vouchers available

10% Discount when you book online. Easy! Open 24/7 for you to love.
